

Ideas for Involvement Activities Before, During, and After Visits to the Ernest Warther Museum & Gardens

- Personal Journal Entries
- Projected Journal Entries
- Scavenger Hunt (we have on site)
- Blueprint Drawings
- Geometric Design Drawings
- Concepts of Steam Power
- Multiplication of numbers and patterns
- Collection ideas and curation concepts
- Identifying parts of steam engines
- Identifying American Indian Artifacts
- Discussion topics including culture and heritage, collections, steam power/industrial revolution, Abraham Lincoln, Civil War, World War II, The Great Depression, and many other topics
- Let their inquiry lead you through the museum. Allow them to ask our staff questions as well

This is only a small list of ideas that stem from visits to the Ernest Warther Museum
